Havasu:

It was a fantastic day to get out on the water for the Club's annual trip to Lake Havasu. The sun was bright and the wind cooperated, which provided a great weekend of fishing. We fished 2 days with each day being its own tournament. Day 1 concluded with Paul Helmsley and Randall Bruce bringing in a hefty bag of Large and Smallmouth Bass. They took 1st place with 16.62. Dominic Amato and his co-angler Matt Durham finished in 2nd place with 12.98. Day 2 was also a sweet day to be on the water. Paul Helmsley and Randall Bruce completed the sweep by taking home 1st place with a 15.23lb bag.
